

**Nominations – 6th Young Investigator Workshop,
Friday July 17th 2026
Eindhoven, Holland**

Dear colleagues,

After the success of the previous editions, we are pleased to announce the 6th Young Investigator Workshop of the EuChemS **Chemical Biology and Chemistry for Life Sciences (ChemBioLife)** Division in Eindhoven, Holland, on Friday 17th July 2026.

The YIW is a satellite event of **ECC10** (Antwerp, Belgium, 12-16 July 2026) and will be composed by young investigators chosen from researchers nominated by the EuChemS Member Societies. Please contact your society (possibly the Chemical Biology division) and send up two nominated YIs (ranked) to:

Francesca Grisoni (local organizer): f.grisoni@tue.nl

Olalla Vazquez: olalla.vazquez@staff.uni-marburg.de

Francesco Peri: francesco.peri@unimib.it.

One or two candidates can be selected by every Member Society.

Admissibility and eligibility criteria. Candidates who have successfully defended their first PhD > 2 and ≤ 10 years.

Profile. Candidates may be researchers of any nationality who develop their activity in the field of the Chemical Biology. They must have already shown the **potential for research independence** demonstrating a promising track record of early achievements appropriate to their research field and career stage, including, e.g. **significant publications** (as main author) in major international peer-reviewed multidisciplinary scientific journals. They may also demonstrate a record of invited presentations in well-established international conferences, granted patents, awards, prizes, or any other scientific achievements they deem relevant in relation to their research field and project.

Important: National Societies (NS) **should fully or partially cover travel and accommodation costs for candidates.** In the case the NS is not able to cover the full budget, the participant should pay the difference. The division is unfortunately unable to cover any travel or accommodation fee of attendants.

Best regards,

Francesco Peri, Olalla Vazquez
Chair and Secretary of the EuChemS Division of
Chemistry in Life Sciences

Francesca Grisoni
Local Organizer
